Force focused on boosting capabilities after Balakot strikes, Galwan Valley clashes: IAF chief

NEW DELHI, AUG 10 /-- India's air power capabilities in terms of hitting targets with precision, defending assets and use of new technologies have gone up significantly after the Balakot air strikes and rapid developments in eastern Ladakh following the Galwan Valley clashes, Chief of Air Staff Air Chief Marshal RKS Bhadauria said today.

In an address at a leading think-tank, the IAF Chief said India now has an "edge" in its ability on both the Western and Northern fronts to "react fast, respond fast and hit fast", noting that induction of Rafale jets has helped in bringing the "next level" of operational transformation. About the drone strike on the Jammu airbase, he said the IAF is taking a series of initiatives including procuring next-generation jammers to deal with such challenges and added that the attack would not have been possible if it was attempted two-three

Chief of Air Staff Air Chief Marshal RKS Bhadauria months later. Referring to the 11-day conflict between Israel and Hamas in May, Air Chief Marshal Bhadauria said that Israel's use of air power in carrying out operations with surgical precision to achieve its objectives in Gaza against the militant group while ensuring minimum collateral damage was a reflection of the ability of the air assets. Explaining the role of air power, the IAF Chief also talked about the general perception to look at only its offensive role and the general tendency to say "no-no" for

its use in certain situations, saying the paradigms and scenarios have shifted and there is a need to keep this in mind. "The ability of air power which was largely seen as an offensive, as a no in some situations particularly in the subcontinent...the paradigms have shifted, the scenarios have shifted and we need to keep this in mind as we go ahead," he said at the United Service Institution of India (USI). At a seminar last month, Chief of Defence Staff Gen Bipin Rawat, while referring to the proposed integrated theatre commands, described the Air Force as a "support arm" but Air Chief Marshal Bhadauria disagreed with him, saying airpower has a huge role to play. About the IAF's operational readiness, he said the focus was to bring in the next level of operational transformation including in the cyber-security domain after the Galwan Valley clashes and his force has been largely

successful in its endeavour. Air Chief Marshal Bhadauria said the "edge" that the IAF has today came from a combination of its weapons, training status, platforms network environment and its ability to "react fast, respond fast and hit fast." "That is the edge we have today in both scenarios, be it on the western front or be it on the northern front," he said. He said the "transformation" was triggered by the developments like Balakot strikes and situation in eastern Ladakh and it now has now taken the IAF to the "next level. The IAF Chief said the induction of the Rafale aircraft has helped in lifting the overall offensive capability of the Air Force. "It is a level or a level-and-a-half above where we were."

He said the IAF's operational offensive capability has gone up in terms of having long-distance air-to-ground weapons, in carrying out precision strikes and possessing network-centric environment. Twenty Indian Army personnel laid down their lives in clashes with Chinese troops on June 15 last year that marked the most serious military conflicts between the two sides in decades. The Chief of Air Staff also mentioned Balakot air strikes as an important event while talking about the transformation of the IAF in the last few years, and said it sent out a clear message about India's approach in dealing with security challenges. Indian fighter jets bombed Jaish-e-Mohammed's biggest training camp near Balakot deep inside Pakistan on February 26, 2019, 12 days after the terrorist outfit claimed responsibility for a suicide attack on a CRPF convoy in Kashmir, killing 40 soldiers. Pakistan retaliated by attempting to retarget Indian military installations the next day. However, the IAF thwarted their plans. He also referred to China's emergence at the world stage, its diplomacy, economic clout and military belligerence in Indo-Pacific. (PTI)

the reservation granted to OBCs by the previous Kamal Nath government is implemented. "The BJP's stand is not clear on the OBC reservation issue," he alleged. The then Kamal Nath-led Congress government had increased the OBC quota from 14% to 27% in March 2019. The high court stayed the decision. (PTI)

J&K's statehood should be restored before holding assembly polls: Azad

Senior Congress leader Ghulam Nabi Azad elections...should be conducted soon. But before the elections, the statehood should be restored, which is very important. Kashmiri Pandits should be brought back. "Our land and job (rights), which were taken away after Article 370 was revoked, should be secured like they were before (August 5, 2019) through a new law when the statehood is restored," he said. Azad reached Kheer Bhawani after Gandhi had left. "I came from Delhi today, but the flight reached late and that is why we could not meet here. But since it was in my programme, I came here and will also go to Hazratbal," he said.

Asked about the BJP's charge that the Congress party had lost its credibility, Azad said, "Everyone knows who has the credibility." After the Kheer Bhawani visit, Azad went to Hazratbal shrine here to pay obeisance. Later, he joined Gandhi at the inauguration of

Congress Bhawan at M A Road here.

Addressing the gathering, Azad said it was not Article 370 that gave the provision of the protection of land rights to J-K. He said if other places like the northeast or Himachal Pradesh could have such laws, why cannot Jammu and Kashmir. "It (land rights protection) was not a new law. It was passed by (the then ruler of J-K) Maharaja Hari Singh in 1927. Northeast has special provisions on land rights while the Himachal Pradesh assembly has also passed a law. Why snatch it from JK?" he asked. The senior Congress leader expressed hope that the assurances given by the prime minister at the all-party meeting will be fulfilled. "At the all-party meeting, the PM gave assurances. We hope that he will fulfil those assurances including the five points raised by the Congress. They should restore statehood and then hold elections," he said. Azad termed the developments of on August 5, 2019 as "the biggest joke played on the people of Jammu and Kashmir and democratic India." "It was the biggest joke in democratic India that was played on J-K. The statehood was snatched and two Union territories were created. It has never happened in India, perhaps nowhere in the world. Even in Parliament's history, it has never happened," he said. (PTI)

MP House adjourned sine die amid ruckus by Cong for implementing OBC quota

BHOPAL, AUG 10 /-- The Madhya Pradesh Assembly today witnessed a ruckus created by Congress MLAs demanding the implementation of the 27% quota for OBCs announced by the erstwhile Kamal Nath government, forcing the Speaker to adjourn the House two days before schedule.

Amid the din in the House, where BJP enjoys a majority, six bills including the MP Excise (Amendment) Bill prescribing capital punishment and life imprisonment in the cases related to deaths caused by the consumption of spurious liquor, were declared passed. The first supplementary demands for FY 2021-22 were also declared passed. In the 230-member House, the BJP has 125 MLAs, Congress 95, BSP 2, SP 1, and 4 are Independents. Three seats are currently vacant, as per the state Assembly website.

Half of the question

hour was washed out as MLAs of Congress trooped into the Well of the House and raised slogans against inflation and rising prices of fuel, forcing an adjournment. As soon as the House convened after question hour, the Opposition members wearing aprons with anti-government slogans, once again entered the Well alleging the BJP government is dilly-dallying the implementation of the 27 per cent reservation for Other Backward Classes (OBCs) announced by the erstwhile Congress government.

Leader of Opposition Kamal Nath said the state government was adopting an anti-OBC stand by not implementing the reservation.

Amid sloganeering by Opposition legislators, Chief Minister Shivraj Singh Chouhan said the Congress did nothing for the welfare of the backward classes. Chouhan accused Congress of hypocrisy and deceiving the backward classes. Now, Congress is doing a drama

on this issue, he said. The previous Congress government had provided 27 per cent reservation to OBCs but the BJP government has failed to present its plea strongly in the HC to support this decision, he said. Amid the ruckus created by both sides, nothing could be heard. Speaker Girish Gautam continued to conduct the business as scheduled amid sloganeering by Congress MLAs.

After completing the listed business, the Speaker adjourned the House sine die amid ruckus. The monsoon session was supposed to conclude on August 12. Later, speaking to reporters, CM Chouhan again accused Congress of hypocrisy on the issue of OBC reservation. "But the BJP government will leave no stone unturned to implement the 27 per cent reservation for OBCs, he said. Speaking to PTI, senior Congress MLA Kamleshwar Patel claimed the state advocate general had told the High Court to continue the stay on the OBC reservation till the hearing concludes. This shows that the state government is not willing to im-

plement this reservation. The Digvijaya Singh government (1993-2003) had decided to implement the OBC reservation but the BJP government later did not fight the case properly in the court. Now, the government is doing it again, Patel alleged. He said the BJP government is not putting forward a strong reply in the HC to ensure that

the reservation granted to OBCs by the previous Kamal Nath government is implemented.

"The BJP's stand is not clear on the OBC reservation issue," he alleged. The then Kamal Nath-led Congress government had increased the OBC quota from 14% to 27% in March 2019. The high court stayed the decision. (PTI)

Bombay HC seeks Center's reply on why new IT rules should not be stayed

MUMBAI, AUG 10 /-- The Bombay High court today asked the Union government to file a reply as to why an interim stay should not be given to the implementation of the Information Technology (IT) Rules, 2021, as demanded by two petitions.

A bench of Chief Justice Dipankar Datta and Justice G S Kulkarni sought the government's reply by August 12. The petitions filed by digital news portal 'The Leaflet' and journalist Nikhil Wagle claimed that the new regulations are "vague", "draconian", and bound to have a "chilling effect" on the freedom of press and right to free speech guaranteed by the Constitution. Additional Solicitor General Anil Singh, the Union government's lawyer, urged the court not to grant a stay without a final hearing.

Senior counsel Darius Khambata, who appeared for The Leaflet, had argued earlier that the new rules were a brazen attempt to regulate online content. They go beyond the parameters set by the Information Technology Act and limits set under Article 19 of the Constitution,

he said.

Today, the HC asked if it could grant an interim stay to the rules with the petitioners agreeing, for now, not to publish anything in violation of the restrictions under Article 19 (which defines the freedom of speech and its limits) and the Union government promising not to take coercive action against them under the new rules until the court gives its final decision. "Suppose we accept your (petitioners) argument and

grant a stay. So the rules will remain in suspension. If you fail in the writ (petition) and rules are violated in the interim, you cannot use our orders to seek relief if you fail in the writ...And the Union does not take any coercive action as per the new rules?" the HC said. Advocate Khambata said the petitioners always adhere to the restrictions under Article 19 and oppose only the new rules which go beyond Article 19. (PTI)
