- a. is presented in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended; and
- b. gives a true and fair view in conformity with the recognition and measurement principles laid down in the Indian Accounting Standards and other accounting principles generally accepted in India of the net profit and total comprehensive income and other financial information of the Company for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013 ("the Act"). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for Audit of the Financial Results for the year ended March 31, 2020, section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Results for the year ended March 31, 2020 under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter Paragraph

We draw attention to Note No. 2 to the statements which states that, as per the assessment of the management, there is no significant impact of COVID- 19 pandemic on the operations and financial position of the company.

Management's Responsibilities for the Financial Results

This Statement, which includes the Financial Results is the responsibility of the Company's Board of Directors, and has been approved by them for the issuance. The Statement has been compiled from the related audited financial statements for the year ended March 31, 2020, and interim financial information for the quarter ended March 31, 2020 being the balancing figure between audited figures in respect of the full financial year and the audited year to date figures up to the third quarter of the current financial year. This responsibility includes the preparation and presentation of the Statement that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Results that give a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability, to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the financial reporting process of the Company.

Auditor's Responsibilities for the Audit of Financial Results for the year ended March 31, 2020

Our objectives are to obtain reasonable assurance about whether the financial results for the year ended March 31, 2020 as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Evaluate the appropriateness and reasonableness of disclosures made by the Board of Directors in terms of the requirements specified under Regulation 33 of the Listing regulations

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the Financial Results of the Company to express an opinion on the Financial Results.

Materiality is the magnitude of misstatements in the financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial results may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial results.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The statement include the figures for the quarter ended March 31, 2020 and March 31, 2019 are the balancing figures between audited figures in respect of the full financial year and the published year to date figures up to nine months of relevant financial year which were subjected to limited review by us. Our opinion on the financial results is not modified in respect of this matter.

The financial information of the Company for the corresponding quarter and year ended March 31, 2019 were reviewed by the predecessor Auditors who expressed unmodified opinion vide their reports dated 29.05.2019. Our conclusion is not modified in respect thereof.

Sonowal visits Jonai and takes stock of flood

DISPUR, JULY 15/--/ Chief minister Sarbananda Sonowal on Tuesday took stock of the flood scenario in Jonai at a meeting held at Jonai SDO (Civil) office and announced that Poba Reserve Forest, the vital biodiversity hotspot in Dhemaji would be upgraded to a wildlife sanctuary. Poba Reserve Forest declared in 1924 with an area of 10,522 hectares, is home to the large number of flora and fauna. The chief minister today also visited the Outer Jonai and Bera Sapori areas in Jonai and took stock of the devastation caused by flood while interacting with the inmates of a flood relief camp there. In the meeting, Sonowal reviewed the flood situation of Dhemaji, Majuli apart from Jonai and took stock of the progress of various schemes implemented by the water resource department. He directed the department to expedite the embankment repairing works to protect the people in those districts from floods.

The department was directed to prevent floods caused by Suwansiri, Dikrong rivers at Jamuguri, stop the damage caused at Kenmili embankment in Majuli and floods caused by Siyang river at Jonai among others. Sonowal also stressed on the need to dredge the Brahmaputra River as its water carrying capacity has reduced over the years due to loss of depth and said the water resource department would soon start dredging work. He also opined that

strengthening river management in neighboring states would also help in preventing floods effectively in Assam and he urged the engineers of the water resource department to bring innovation and newer technologies to flood management mechanisms in the state. Formation of Chhattisgarh Culture Council approved in the Cabinet Meeting

EOI CORRESPONDENT

RAIPUR, JULY 15 --/ Procedure to constitute Chhattisgarh Culture Council has been commenced as per the decision of chief minister Bhupesh Baghel, with the objective to save, cherish and promote the folk arts and culture of Chhattisgarh.

After 20 years of formation of the state, initiative has been taken to make integrated efforts under the same roof for development of art, music and literature in Chhattisgarh. The formation of Chhattisgarh Culture Council was approved in the cabinet meeting held on Tuesday, under the chairmanship of Baghel. All the units of the culture department will be integrated under this council. Before the formation of Chhattisgarh state, all cultural activities in Chhattisgarh were con-

ducted from Bhopal. After the formation of the state, Chhattisgarhi got recognition as official language. Many institutions were also established, but due to lack of coordination, the desired results in the direction of cultural development could not be achieved till date.

The chief minister said that his government has worked from the very beginning to instil a sense of pride in the culture of Chhattisgarh. Chhattisgarh not only announced holidays on festivals like women's festival 'Teeja', farmers' festival 'Hareli' and Govardhan Puja, but also commenced the tradition of celebrating these festivals in his residence office. Decision has been taken to prepare text books in Gondi, Halbi language for imparting education in schools. To preserve indigenous cuisine of the state,

Chhattisgarh Government has decided to establish Garhkaleva in all the districts. However, all these activities should be conducted in an organized manner so as to achieve the best possible results in the direction of preserving the art and culture of the state. Hence, the decision to constitute Chhattisgarh Culture Council as a composite platform has been taken.

The main objective of Chhattisgarh Culture Council is to promote and protect literature, music, dance, theater, paintings and sculpture, cinema and tribal and folk arts in the state. For this, the Council will identify, preserve and promote cultural heritage.

The development of forums, art-museums, galleries for creative culture, along with the establishment of national level forums in the state will be en-

forced by the council. The Chhattisgarh Culture Council will also work in the direction of promoting cultural institutions, felicitating and encouraging creative people, and also for the production and promotion of excellent cinema.

Another important task which has been entrusted to the Chhattisgarh Culture Council is to establish a lively dialogue of Chhattisgarh with prestigious arts, culture and education related institutions of national level.

As per the culture policy of the state, Chhattisgarh culture will be promoted by establishing coordination between school education department, higher education department and other government departments concerned. Research and creation on literary-social subjects will be encouraged and supported.

He said that their contributions would always be remembered by the people and called upon people to follow their ideals. Further urging the district administration to ensure proper upkeep of the memorial park, he directed to take steps for setting up a library in the cultural complex and assured to provide financial assistance for the initiative from the untied fund. COVID-19: Goa govt starts online admissions in colleges

PANAJI, JULY 15 --/ In the wake of the COVID-19 pandemic, the Goa government has started online admissions from Wednesday in all colleges affiliated to the state Directorate of Higher Education (DHE). Under the centralised online process, students can apply for admission on DHE's portal for various degree courses and need not visit the colleges. In a circular issued on Tuesday, the Goa education department said all government and aided colleges in the state will have an online admission process from the academic year 2020-21.

"Online admissions in government and aided colleges under administrative control of DHE Goa for courses such as Bachelor of Arts (BA), Bachelor of Commerce (BCom), Bachelor of Science (BSc) Bachelor of Computer Applications (BCA), Bachelor of Business Administration (BBA), law, music, home science, agriculture, Bachelor of Education (BE) and others shall start from July 15, 2020," the circular said. "Generally, these colleges were handling the non-pro-

fessional undergraduate students' admission process independently either online or in person, it added. The DHE has said in view of the challenges arising due to the COVID-19 pandemic, it is recommended under the Union Ministry of Home Affairs' guidelines to avoid any in-person academic activities, including admissions for the upcoming academic year.

Taking benefit of advances in Information Technology, it is possible to streamline the admission process completely online, including fee payment, without visiting the campus, it added. Students can apply for admissions on DHE's website - www.dhe.goa.gov.in. (PTI)

Sheena Bora murder: Court rejects Indrani Mukerjea's bail plea

MUMBAI, JULY 15 --/ A special CBI court here today rejected the interim bail plea of Indrani Mukerjea, the prime accused in the Sheena Bora murder case. Mukerjea, who is currently lodged at the Byculla women's jail in Mumbai, filed the plea last month in which she sought temporary release, citing the risk of contracting coronavirus. However, special CBI court Judge J C Jagdale rejected her interim bail plea today. The court earlier also rejected her four regular bail applications filed on medical grounds, while another one moved on merits of the case is still pending. In her latest plea, Mukerjea had sought temporary bail for 45 days, citing the coronavirus outbreak and her medical history. She said in view of the rising number of COVID-19 cases in Maharashtra, there is no certainty when the trial or hearing for bail (on merits of case) will begin. The plea also said she has been in judicial custody ever since her arrest in August 2015, and suffering from

chronic ischemic changes in her brain arteries. The application also said she suffered from blackouts time and again and has been on medication. Thus, considering her medical history and guidelines issued by the high-powered committee, the court should grant interim bail to her, the application said. Sheena Bora (24) was allegedly strangled in a car by her mother Indrani Mukerjea, her driver Shyamvar Rai and Mukerjea's former husband Sanjeev Khanna in April 2012. Her body was burnt in a forest in neighbouring Raigad district. Khanna is a co-accused in the case. Former media baron Peter Mukerjea was also later arrested for allegedly being part of the conspiracy.

He is currently out on bail, which was granted by the Bombay High Court earlier this year. His 17-year-old marriage to Indrani Mukerjea ended during the period of incarceration as the two got divorced in October last year. (PTI)
